

ARTEGIS PRIVACY POLICY

FRAMEWORK

Artegis provides the online platform *Regis* to manage events. Artegis customers include event organizers, travel agencies, conference organizers, and similar entities.

LEGAL

Artegis Switzerland agrees to comply with the EU Data Protection Directive 95/46/EC as implemented in the respective Member States and, from its implementation, the European General Data Protection Regulation (EU Regulation 2016/679) ("GDPR"), along with any additional implementing legislation, rules, or regulations issued by applicable supervisory authorities. Artegis also agrees to comply with all other applicable local data protection and privacy laws and regulations. Artegis shall not perform its obligations under this agreement in a manner that would cause the other party to breach its obligations under applicable data protection laws.

DATA COLLECTION

Artegis collects and processes personal data in connection with event registrations. This data may include: company name, address, participant names, job titles, email addresses, arrival and departure dates, and other event-related information.

DATA SHARING

Artegis does not sell, rent, or lease your personal data to third parties. Artegis does not share personal data with hotels, travel agencies, marketing agencies, or other service providers. Only Artegis customers have access to personal data related to the events they organize.

DATA OWNERSHIP AND RESPONSIBILITIES

Artegis customers are responsible for the data they publish on Regis and for the use of personal data, ensuring compliance with applicable regulations in their respective jurisdictions. To comply with data protection laws, Artegis customers may implement their own specific privacy policies during the registration process.
